HAER No. NH-3

Photographer: Jet Lowe, 1978

- NH-3-10 Three quarter view of Sugar River Grist Mill from the south. Saw Mill is partially visible on the right. To the left is the Main Street Bridge, and Claremont Flock (a portion of the Freeman and O'Neil Complex) is beyond.
- NH-3-11 Southeast (front) elevation of Sugar River Grist Mill facing River Street.
- NH-3-12 Interior view of first floor office area looking northwest. Greek Revival window trim is original.
- NH-3-13 Sugar River Grist Mill interior showing roof framing and interior surfaces. There are no columns, floors, or interior finishes in the upper three levels, which were used for grain storage. The wrought iron tension members provided support for the cross beams.
- NH-3-14 Detail of the upper chord inclined end post panel point.
- NH-3-15 Basement level of Saw Mill looking northeast into the turbine pit. Headrace for the Grist Mill is beyond the wall to the right.
- NH-3-16 Remains of a 36" turbine.
- NH-3-17 Photocopy of a photograph (original print in the collection of the Claremont Historical Society)
ca. 1890, photographer unknown
General view.

Researchers are advised to see photographs and a site plan (sheet 2 of 4) of the Sugar River Grist Mill and Saw Mill included in HAER No. NH-1, Claremont Village Industrial District.
